

STUBTON SOCIAL CLUB MANAGEMENT COMMITTEE

AGM 18TH MAY 2021

SECRETARY'S REPORT

I wish to report the following to this AGM, which of course has been greatly delayed due to the restrictions relating to the Pandemic.

1. Membership Numbers

The Club currently has 85 paid-up or honorary members. This figure has not changed since the beginning of 2020.

2. Membership Records

The membership records were updated and revised in 2019 and subsequently numbered plastic membership cards were issued. The cards are designed to address the need, if required, to prove membership when purchasing alcohol – a requirement of the club alcohol licence.

3. Licensing

A review of the licensing requirements has been carried out and resulted in clarification of the alcohol licence, purchase of a music licence and revision of the television licence – the latter two being shared with the Village Hall Management Committee.

4. Meetings

I have continued to organise and service meetings including by Zoom and in future Minutes will be available on the Village Website.
